

## LOAN OF CLUB BOWLS & SHOES

Club bowls & shoes are available to members & visitors to our Club.

Club members may borrow bowls & shoes for Club play & away matches until they have purchased their own, which is expected by the completion of their first year's membership.

When bowls & shoes are borrowed for an away match they should not be removed from the premises too soon before the time when they are needed for that match when others may wish to use them at Milford on Sea. They should be returned in time for the start of the next morning session. On special occasions a longer period of loan can be agreed by contacting the Club Officer below.

The bowls & shoes must be signed out in this loans book and witnessed by another member. The witness should be:-

- (i) a Committee Member, or
- (ii) the Green Steward, or
- (iii) a member of the team the borrower is playing for.

If, at the time of borrowing, none of the above are present as witnesses then another Club member should act as a witness, or if no other person is present then the Bowls Monitor must be contacted. When returned they should be signed in and witnessed.

The Bowls Loan Book is kept with the bowls in the tack shed during the outside playing season & in the pavilion during the short mat season.

An up to date stock list of Club bowls will be inserted into the Bowls Loan Book.
